> Parents should be careful that their children do not contract colds during the fall or early winter months. Such colds weakens the lungs and air passages, making the child much more likely to contract other colds during the winter. It is this succession of colds that cause catarrh and bronchitis or paves the way for consumption Should a cold be contracted, lose n time but cure it as quickly as possible A fifty cent bottle of Chamberlain's Cough Remedy will cure any cold in a few days and leave the respiratory organs strong and healthy. For sale by Thos. F. Weedin.

Some excitement and considerable talk was created in Tucson this moruing on account of the receipt by District Attorney Hereford, of a telegram stating that James Finlay had killed F. A. Lamonte at Harshaw last night. All who know Mr. Finlay are free to express a firm belief that he never would have done such a thing without great provocation. He is well-known in this city, and has been in Harshaw ever since it was a camp, and recently proved a success. Mr. Lamonte was roadmaster for the Harshaw district, but is not very well known in Tucson.
